

# Dock Door

## VL & HL

High-quality door solution  
for industrial loading dock  
applications

## Dock Door

- Dock door solution with torsion springs available in vertical lift (VL) and high lift (HL)
- Low level positioning of power unit results in easy installation and maintenance
- Available in one- or two-piece track assembly
- No steel beam needed, resulting in lower costs
- Suitable for doors with a maximum width and height of **3200 mm** and a weight up to **150 kg**
- Required lintel build in space: door height + **300 mm**
- Minimum side space required: **125 mm** without operator
- High lift (HL) between **1600 mm** and **3000 mm** possible
