Product description

Cable thimble (eye) for steel cable, zinc plated.

Unit: 100 pieces.

Material: Zinc-plated steel

A: 3.5mm.

This component is intended for use within an assembly of a sectional door. It is not a complete product on its own, but a part of a larger whole.

The responsibility for the correct selection, sizing, assembly, and the final conformity of the assembled 'end product' lies with the party that processes or markets the component.

DOCO accepts no liability for the use of this component within the total assembly or for the conformity of the final product.
